

Academic Staff

The staff of the Department of Mechanical Engineering consists of the Academic Staff and the Administrative Personnel. The members of the Academic Staff are further discriminated into Faculty Members and Members of the Laboratory Teaching Staff.

Currently, the Academic Staff of the IHU Department of Mechanical Engineering consists of fourteen (14) Faculty Members at all levels, one person in the administration office, and six (6) Members of the Laboratory Teaching Staff. Ten (10) external associates (teaching and laboratory assistants) are also employed, under one-to three-year contracts, so as the educational needs of the Department are met. One more Faculty Member at the Assistant Professor level is expected to join us within 2024.
